I. Background information

Centre for Women's Health and Information

The Centre for Women's Health and Information (CEWHIN) is an independent, not-for-profit making, non-governmental organization established to promote improved quality of life through empowerment strategies and programmes that enable individuals to actualize their rights.

With the support of the MacArthur Foundation, under its ON Nigeria Project CEWHIN is currently implementing a Transparency and Accountability project in Ogun State. Through the project, CEWHIN trains members of Parents Teachers Association (PTA) to and School Based Management Committees (SBMCs) to monitor the implementation of Home Grown School Feeding Programme in 40 schools within three LGAs in Ogun State.

Purpose of the evaluation

The main purpose of the internal mid-term evaluation is to assess the progress of the project towards the expected outcomes. The Evaluation is also intended to identify challenges, opportunities and lessons learned and make recommendations that the project team and key stakeholders can use to improve implementation of the project.

Evaluation Project Timeframe: 1st May 2018 – 31st May 2019

Location of Project: 3 LGAs in Ogun State (Abeokuta South, Odogbolu and Yewa South)

Interested Consultants should please write to the Programmes Coordinator expressing their interest in conducting the evaluation and why they think they are best suited for the assignment. A comprehensive CV showing similar work that has been conducted in the past should be forwarded along with the EOI to the Centre's email address - cewhin@yahoo.com on or before the 28th of April, 2019.

NOTE: Only shortlisted candidates will be contacted
